

## **Why do *you* love your library?**

For the books, the movies, the digital media? For the kids' programming? For help with job searches, research and community resources? For homework help, computer access, or a place to go on a rainy day?

Whatever the reason,  
**the library you love needs you!**

We don't know if you've noticed, but our library desperately needs of a fresh coat of exterior paint, sidewalk repairs, improved handicap accessibility, and a makeover for our heavily used community room.  
**Every dollar raised counts, and we can't do it without your help.**
